Dear Chris,

Re: CIIR and CAFOD

Thank you for your letter. I would encourage you to write to these bodies and put to them the questions you are asking of me. I am not familiar with everything that CAFOD/CIIR does. However, I would like to say that I think the Government should be lobbied on IPPF/UNIFPA funding. It is very important that we are proactive in these matters and that our position is reiterated again and again.

In your earlier letter I felt there was an 'agenda' and it was important to address your questions in the first instance to CAFOD/CIIR.

With sincerest good wishes and prayers,

As ever in Christ Our Lord,
