Subject: Amnesty International and the killing of children by abortion

For the Attention of : **Amnesty International**

Dear Sir or Madam

Amnesty International is in the process of discussing the issue of killing children by abortion. I would like to bring to your attention United for Life's campaign entitled: 'Why Amnesty International must oppose the killing of children by abortion... and how Human Rights apply.'

We demonstrate that the killing of children by abortion is in violation of the Universal Declaration of Human Rights, the Convention on the Rights of the Child and the Conventions on Slavery and Genocide and the Sale of Children.

You can view this page on <http://www.unitedforlife.com/whyai.html> and you can download this as a leaflet in PDF format from that webpage.

United for Life has written to the UK Director of Amnesty International on four occasions in the last year concerning this issue but we have not received a reply.

Yours sincerely

Chris Mason (Mr)
